

UNIVERSAL INOVONICS EZ CLIP

EZ Inovonics Clip

Quick straps wrap around for a secure fit.

The EZ clip is universal and will work with almost any meter on the market. The universal clip is specifically designed to fit an Inovonics transmitter directly to almost any surface.

Mounting of the clip is simple and the versatility allows you to attach your transmitter directly to the pipe if necessary.

Norgas can install the EZ Clip and transmitter directly to any Norgas product.
